GREATER CEDAR VALLEY
ALLIANCE & CHAMBER
BE PART OF SOMETHING GREATER
THE CEDAR VALLEY OF IOWA

August 2, 2010

The Honorable Buck Clark, Mayor
and the City Council Members
City Hall
Waterloo, Iowa 50703

Dear Mayor and Council Members:

The Greater Cedar Valley Alliance is pleased to support the City's efforts to acquire grant funds for the installation of flood control improvements to the Dry Run Creek system. Any improvements to flood prevention facilities in commercial and industrial areas are supported, encouraged, and fully backed by our organization.

The Greater Cedar Valley Alliance office is located in Downtown Waterloo, along with the Tech Works Campus, an urban industrial park focused on bio-based and sustainable investment and development. The full long-term development of the Tech Works Campus and other downtown projects, has the potential to locate 1,000 jobs in that area of the Waterloo community. With the proposed improvements to the Dry Run Creek system, the City will be able to offer better flood control to the entire area for development and redevelopment.

As you know, the Greater Cedar Valley Alliance is charged with helping bring economic development through investment, jobs, and residents to the area. Assurances of flood prevention, after the 2008 events, will help allay any apprehension about Downtown Waterloo as a safe investment.

Sincerely,

Steven J. Dust, CEcD
Chief Executive Officer

August 2, 2010

The Honorable Buck Clark, Mayor
and the City Council Members
City Hall
Waterloo, Iowa 50703

Dear Mayor and Council Members:

Main Street Waterloo is proud to support the City's efforts for grant funds for the improvements to the Dry Run Creek system through the installation of the tide flex valves.

As you know, Main Street is charged with improvements, redevelopment, and entertainment in Downtown Waterloo. The Flood of 2008 greatly impacted many buildings, businesses, and residents of Downtown Waterloo. Any improvements for future flood prevention are supported, encouraged, and fully backed by our organization.

Sincerely,

David Deeds
Interim Executive Director
Main Street Waterloo
