Wapello County Board of Supervisors
215 N. Court
Ottumwa, Iowa 52501

Dear Mr. Kenning:

I have reviewed the application for funding under the I-Jobs II competitive grant program. The project, 110th Ave Rebuilding Project, by nature of being a new road construction does not fall under the State of Iowa Building Energy Code.

If you have any questions, please feel free to give me a call.

Sincerely,

Brian P. Moore, PE
